Honorable Norman B. Rice
Mayor, City of Seattle
Seattle, Washington 98104

Attention: Tom Tierney, Director
Office of Management and Planning

Subject: Intermodal Surface Transportation Efficiency Act Grants--Bike Spot Safety and Pedestrian Accessibility Programs

Dear Mayor Rice:

REQUEST: We request approval of the attached ordinance authorizing the Director of Engineering to execute grant agreements with the Washington State Department of Transportation for Intermodal Surface Transportation Efficiency Act funds for the Bike Spot Safety and Pedestrian Accessibility Programs.

BACKGROUND: The 1994-96 Regional Transportation Improvement Program (TIP) provides for \$400,000 in ISTEA funds for the Bike Spot Safety Program in 1996. The program was allocated the same amount in 1994 and 1995 as well. The Bike Spot Program installs bike racks and lanes along with improved drainage and safety features throughout the city. It also funds route-signing and guide maps, and helps construct bike paths and trails.

The 1994-96 TIP also provides for \$1,600,000 in ISTEA funds for the Pedestrian Accessibility Program in 1996. This program also received this amount in 1994 and 1995. Asphalt and concrete walkways along arterials, curb ramps, and pedestrian signals at priority locations are constructed under the Pedestrian Accessibility Program.

FUNDING: These grants have a 20% match. The grants and their match amounts are included in the 1996 Engineering CIP Budget as authorized by Ordinance 117916, in E32228 Bike Spot Safety Program and E32311 Consolidated Neighborhood Program, Pedestrian Walkways/Elderly and Handicapped Access Program.
